Last Mile Delivery Program brought to you by Aon

Program Overview

Aon Affinity has designed an insurance program to satisfy the requirements of Last Mile Delivery Operators and helps deliver more cash flow and effectively run your business.

What Insurance Products Are Offered?

Business Automobile Liability covers you for bodily injury or property damage losses that you are held responsible for when using a company vehicle.

Cargo Liability provides coverage for damaged or loss of property in the course of transit due to causes such as fire, collision or striking of load.

Hired and Non-Owned Automobile Liability covers bodily injury and property damage caused by vehicles owned by others (such as your employees) that are used for company business or caused by vehicles you rent/borrow.

General Liability offers coverage for the harm you may cause to others; this includes bodily injury, property damage, personal injury, slander or libel, and advertising injury.

Workers' Compensation and Employers Liability provides your employees with medical and wage loss coverage for work-related injuries, plus coverage for claims made by employees against employers for injuries or illness occurring in the workplace.

What Insurance Company Underwrites the Program?

Aon has partnered with Vanliner Insurance Company, an A.M. Best A+ rated (Superior) insurer, to bring Last Mile Operators competitive insurance options to improve their business outcomes.

Why Use the Last Mile Delivery Insurance Program?

Certainty - continuous until cancelled insurance, giving you control of your insurance capacity and cost
